

REGION 10 INFORMATION CONTACTS FOR THE ASBESTOS NATIONAL MISSION STANDARDS FOR HAZARDOUS AIR POLLUTANTS (NESHAP)

Alaska

EPA Region 10 carries out the asbestos NESHAP inspection program in Alaska. Contacts are as follows:

John Pavitt (Anchorage, AK), 907-271-3688

Michele Wright (Seattle, WA), 206-553-1747

Patrick Wallace (Seattle, WA), 206-553-6637

Oregon

Oregon has a state asbestos program under the auspices of the Department of Environmental Quality. Please contact Kevin McCrann at (503)667-8414, x55018.

Washington

Most of Washington's asbestos programs are operated by [Local Air Pollution Agencies](#). Callers should contact the local air pollution agency in their area or the [Washington Department of Ecology](#).

Idaho

EPA has a contract in Idaho for inspections and to answer questions. Contact Industrial Hygiene Resources in Boise, E.C. Cullen or Dayle Lundy, at 208-323-8287.

EPA Asbestos Ombudsman: There's also an EPA asbestos ombudsman in North Carolina. The number is 1-800-368-5888. They operate from 7:30 to 3:30 Eastern Standard Time.
